CIRCLE CITY CURLING CLUB

FOR IMMEDIATE RELEASE
January 6, 2026

Hoosiers Invited to Try Olympic Sport of Curling

ANDERSON, IN - Curling is one of the most talked-about and widely watched sports of the Winter Olympics, and with the Milano Cortina 2026 Games just one month away, Hoosiers have a chance to experience it firsthand.

Circle City Curling Club invites the public to a **free Curling Open House** on **Friday, February 20, from 7:00 to 9:00 p.m.**, at Central Indiana's only facility dedicated exclusively to the sport of curling. The club's three sheets of ice are comparable in size and quality to those used in Olympic competition.

During the Open House, visitors can watch a live demonstration, step onto the ice, and try delivering a 42-pound curling stone themselves. No prior experience is necessary, and no registration is required. Attendees are asked to complete an online waiver prior to arrival.

For event details and the waiver, visit **www.circlecitycurling.com**.

In addition to the Open House, Circle City Curling Club is offering several **Learn to Curl** opportunities throughout January and February:

One-Hour Curling Icebreakers
A fun, fast-paced introduction to the sport. Ideal for anyone curious about curling.
Dates: February 16 and 18 (additional dates added as sessions fill)
Cost: $30 per person

Two-Hour Learn to Curl Clinics
Participants learn the fundamentals and play several ends (innings) of a real game.
Dates: January 10, 17; February 7, 17, and 21 (additional dates added as sessions fill)
Cost: $50 per person

Four-Week Learn to Curl Leagues
Four two-hour sessions, each focused on a different aspect of the game.
Start Dates: January and February
Cost: $150 per person

Registration and full details are available at **www.circlecitycurling.com**.

About Circle City Curling Club

Circle City Curling Club is a volunteer-run 501(c)(3) nonprofit organization dedicated to promoting and teaching the sport of curling in Central Indiana. Founded in 2007, the club previously rented hockey ice around Indianapolis before opening its dedicated curling facility in Anderson in December 2022, located just 20 minutes northeast of Fishers.

Unlike smooth hockey ice, curling ice is intentionally "pebbled" by misting it with fine water droplets. This textured surface reduces friction, allowing the stones to glide and curl along the 150-foot sheet of ice toward a circular target called the house. Players use specialized brooms to sweep the ice, helping the stone travel farther and curve toward a desired location.

The Anderson facility features **three curling sheets**, accommodating up to 24 curlers at once. The club has already hosted the **USA Senior Women's National Championship** and is recognized for having some of the best curling ice in the country.

Curling is enjoyed by people of all ages, with teams often including players from their teens through their 70s. In addition to adult leagues, the club launched a youth league last year for players ages 12 to 18.

Circle City Curling Club is a member of the sport's national governing body, USA Curling. The Club's 150 members are part of an estimated 25,000 curlers nationwide. Curling's popularity has grown significantly since the U.S. men's gold medal win at the 2018 Winter Olympics, with clubs now operating in 48 states.

Facility Location:
1735 West 53rd Street, Unit 3A
Anderson, IN 46013
