### The Board Report:

Much excitement came from the last board meeting as the curling season is upon us. With a bigger commitment being made from the Fuel Tank with improved ice conditions and a great time slot, the club has decided to expand it's ice time on Friday nights from 7:30-11:30 which will include member league nights, a new beginner league, and many Learn to Curl options throughout the season. We are excited to welcome new collegiate and high school teams including UIndy, Purdue and Carmel High School. Fundraising efforts along with advanced talks about building a facility are on going and the board hopes to be able to report more positive news in the coming months. As always, we encourage everyone to invite new members and friends to come out and try our sport as we look to expand our impact and numbers which will be crucial for our growth. I am looking forward to kicking off the season with a few Learn to Curls seeing you all on the first league night!

**Current Dedicated  
Ice Fund Total:  
\$172,185**

**Thanks to everyone for  
their continued  
support!**

## Learn to Curls

Please check out the available dates for Learn to Curls on our [Facebook](#) or [EventBrite Page](#).

## Free Guard- Rule Change Overview

In 2017, The World Curling Federation approved changing the Free Guard rule from 4 stones, to 5. What this means is that any stone delivered prior to the 6<sup>th</sup> stone shall remain in the Free Guard Zone (FGZ), and can't be removed from play.

As a club, we will be adhering to this change as part of our 2018-2019 season (and going forward).

For more information please check out this resource: [Five Rock Rule Questions Answered](#)
