The Board Report:

The August Board Meeting included a very productive discussion around goals for the 2019-2020 season. Some highlights from that: Getting committee's up and running, finding an accounting system that works for our needs, creating a database of our membership, creating a video to help get the club more known around the area, archiving our club history, and increasing membership involvement in learn to curls and ice setup.

The Fall league and Learn to Curl schedule was discussed, and in regards to Ice Prep, Wes has agreed to lead the group.

In regards to committees, there was a lot of progress made. The board discussed term limits for chairs, and who would be interested from the board in heading those committees. Next steps are to find chairs, formalize guidelines, and create a section on the website for committees and responsibilities. Goal is to be finalized by end of the year before the next league season (per Roberts Rules of Order, 2 month process for approving by-laws changes)

Bowling Green Friendly was confirmed: 1 day, 3 games and lunch for \$20. More details will be sent out soon.

**Current Dedicated
Ice Fund Total:
\$202,596**

Blast from the Past

Please enjoy this photo of our very own Jim Puckering's first bonspiel back in 1982. It was held at the Bally Haly Country Club in St. John's, Newfoundland Canada. Yes, that's him on the left with the big 1980's glasses, moustache and dark hair! And yes – they were still using straw brooms! He can't remember if we won any games but the smiles were genuine as they had a great time.
